All applicants are applying for SRSTA certification. Applications and Certification Exams are to be submitted together, signed by both the applicant and the rink operator. All SRSTA Certification applicants must be at least 18 years of age and by signing this application consent to a background check to be performed by the RSA and/or rink operator.

I understand that by providing my mailing address, email address, telephone and fax number, I consent to receive communications sent by or on behalf of the Roller Skating Association International and its subsidiaries or an agent working on behalf of the RSA, including all RSA Chapters and Sections. I understand that in accordance with their Privacy Statement, the RSA will not share my phone, fax or email address with a non-related third party without prior written authorization, as expressed in the Telephone Consumer Protection Act and all subsequent revisions. Further, I understand that I can revoke this consent by contacting the RSA in writing and allowing them 90 days to change my status with all subsidiaries and agents with whom they contract.

I agree that my name entered on this contract affirms my consent.

TEACHING KNOWLEDGE

8. A great partnership with the facility operator will improve your success. How can you represent the facility? (Circle all that apply)

- | | |
|----|--|
| a) | Follow the facility dress code, but with a slight variation to the facility employees. |
| b) | Wear a name tag that indicates you are a SRSTA Coach/Teacher. |
| c) | Be prepared, presentable and knowledgeable at all times. |
| d) | Represent the facility, abiding by and enforcing all rink rules and code of conduct. |

9. A good class program will encourage return skaters. How can you be successful with this? (Circle all that apply)

- | | |
|----|---|
| a) | Be available to greet the class onto the floor and answer questions after class. |
| b) | Make everyone start at the bottom level class no matter how well they can skate. |
| c) | Include a variety of skills appropriate to age and skill levels to make the class fun. |
| d) | Motivate students, provide a safe environment, and talk about how to advance the students skating skills. |

10. A beginner class is important to teach the fundamentals of skating. Which should be used for a beginner class? (Circle all that apply)

- | | |
|----|---|
| a) | All skating levels and ages can be taught successfully in the same class. |
| b) | Schedule a beginners class when the facility is empty. |
| c) | Reinforce skaters within the class by providing rewards when a skill is performed correctly (i.e stickers, pencils, etc). |
| d) | Keep the beginner skaters at the wall and lecture about techniques. |

11. Which of these skills are appropriate to teach a beginner class? (Circle all that apply)

- | | |
|----|---|
| a) | Fall down, get up, safety check, march and roll, cannonball and jump. |
| b) | V start, scissors, scooter push, shoot the duck and spin. |
| c) | Backward scissors, roll and hold, 1/2 turn jump, t-stop and cross over on corner. |
| d) | All of the above. |

12. Which is the best method to promote classes? (Circle all that apply)

- | | |
|----|---|
| a) | Skate the accompanying public session and hand out free passes to skaters. |
| b) | Be available to greet and talk to session parents and skaters about class programs. |
| c) | Through social media outlets, schools, churches, birthday and private parties. |
| d) | Post a bulletin with class information and pictures of current attendees. |

I agree that my name entered on this certification exam affirms my consent to conduct myself in keeping with the ideals and the principles of the RSAI and SRSTA. I also pledge my every effort to encourage the advancement of roller skating in all of its branches.
